    3. (North Region) 421 East Ohio Street, Pittsburgh, PA 15212;
  - Any Administrative Offices of the Fifth Judicial District; and
  - Any other facility, building, or room designated by the President Judge to hear and dispose of matters pending before the Court of Common Pleas or Magisterial District Courts in the Fifth Judicial District.
- All court facilities, including the courtrooms in all Divisions of the Court of Common Pleas, the Magisterial District Courts and Pittsburgh Municipal Court, will be open to the public for

matters as specified below in this Order.

- Persons must wear masks or face coverings to enter and remain in any court facility. Persons who are not compliant with this order, will be required to leave the court facility.
- Persons who enter any court facility shall comply with CDC and Health Department recommendations for social distancing as well as any signage posted in or on court facilities or instructions from a judge, judicial officer, Sheriff's deputy, police officer, constable, building security, or court employee.
- News media shall be permitted into court facilities but only in a manner that is consistent with public safety. Cameras will not be allowed in any court facility, unless specifically authorized by the President Judge, Administrative Judge of a Division, or the District Court Administrator.
- Sheriff's deputies, police, constables, and building security assigned to any court facility are authorized to deny admission or remove a person who is visibly ill or who is exhibiting symptoms of COVID-19. Any person excluded or removed for health concerns shall be provided with information (telephone number or email address) to enable them to initiate, participate in, or complete necessary essential court business/functions during the judicial emergency.
- Only persons with essential court business are guaranteed admission into any court facility, subject to restrictions above. Friends and family members may be required to wait outside the facility.
- Sheriff's deputies, police, constables, and building security shall have the authority to enforce all of the conditions in this section. Persons who are not compliant with this order, will be required to leave the court facility.

## II. Methods for Conducting Proceedings

- Whenever appropriate and feasible, and as directed by the President Judge, the Administrative Judges of the Divisions, and the District Court Administrator, court proceedings shall be conducted by Advanced Communication Technology (ACT), primarily through Microsoft Teams, pursuant to the protocol for teleconference hearings issued by the Court. Other audio or teleconference methods may be employed, pursuant to the protocol for teleconference hearings issued by the Court, with the approval of the Administrative Judges. See Protocol for Teleconference Hearings found on the Fifth Judicial District website.
- Remote matters, conducted through Advanced Communication on Technology shall be conducted with the same decorum as in-person matters.
- When it is determined that conducting court proceedings through ACT is not appropriate or feasible, court hearings and proceedings shall be conducted utilizing protocols and policies relating to the use of masks or other personal protective equipment, social distancing, and other guidance specified in Section II of this Order.
- Any administrative order, policy, or protocol issued by an Administrative Judge requiring certain proceedings to be conducted through ACT shall be followed. Any exceptions to such an administrative order, policy, or protocol must be approved by the Administrative Judge of the Division.
- In order to prevent overcrowding, court appearances and hearing times shall be staggered, and the Administrative Judges may require that scheduling of cases be centralized in each division.
- Attorneys are strongly encouraged to bring only essential witnesses and persons to in-person court proceedings. Attorneys should encourage their clients to refrain from having non-participants accompany them to court proceedings.
- When a court reporter or other approved form of recording court proceedings is unavailable, alternative forms of recording shall be permitted.
- All persons participating in a court proceeding, including but not limited to, judges and judicial officers, attorneys, court employees, court reporters, witnesses, and spectators, are required to wear a mask or face covering for the entire proceeding. The judge or judicial officer may permit a person to temporarily remove the mask to take testimony or where the presence of a mask would affect the ability to judge credibility, provided that the requirements for social distancing, and in the case of matter in the Criminal Division, the attached Criminal Division Procedures (as may be

subsequently amended and posted on the website of the Fifth Judicial District) are followed. In such cases, the person will be required to wear a face shield. The Court shall make every effort to minimize the number of people present for in-person court proceedings, including allowing particular attorneys or witnesses to appear remotely.

- Orders prohibiting and limiting the use of cellular phones in courtrooms and court facilities remain in effect. However, due to the requirements for social distancing, an attorney may use a cellular telephone to communicate with a client or a witness while outside of the courtroom. An attorney may use a cellular telephone to summon witnesses waiting in another location, to the courtroom; or for such other purpose deemed appropriate by the judge or judicial officer presiding over the court proceeding.
  - The taking of photographs or the recording of any proceeding is strictly prohibited. Anyone violating this provision shall forfeit their cellular phone or device and shall be subject to contempt proceedings or other sanctions.
  - Taking the testimony of witnesses through ACT is strongly encouraged. However, when a witness must testify in person in a courtroom, the witness may be required to wait in another location until such time as the court is prepared to take the testimony of the witness. Upon conclusion of the testimony, the witness shall be excused from the courtroom and shall leave the court facility unless the judge or judicial officer determines that there is a reason that the witness must remain in the court facility.
  - News media may be permitted into a courtroom, if social distancing can be maintained. The court may designate certain seats for the news media, however, seats for attorneys, parties to the proceedings and essential court staff take priority over seats for the news media.
  - Sidebar conferences are prohibited until further order of court.
- III. Time Calculations and Deadlines
- Except as otherwise set forth in this Order, the suspension of time calculations due to the judicial emergency that began on March 16, 2020 ended at the end of the day on June 1, 2020.
  - Time calculations and deadlines were suspended during the judicial emergency so that they did not continue to run during that time. The suspension began on March 16, 2020 and continued through June 1, 2020—or for 78 days. New deadlines shall be calculated by adding the time period of the suspension (days during which time calculations were suspended due to the judicial emergency as applied to the particular time calculation) to the original deadline. The period of suspension caused by the judicial emergency added on to the deadline shall only include that period of the suspension during which the particular time calculation would have otherwise been running.
  - For example, if an original 30-day deadline fell on March 19, 2020, and the period of suspension under the judicial emergency was 78 days (March 16th through June 1st), the new deadline would be June 5, 2020 (78 days after March 19th). In this example, the particular time calculation stopped running during the entire 78-day suspension when it would have otherwise been running. If, however, a deadline expired before the judicial emergency began, then that deadline would not be extended by the judicial emergency.
  - The period of suspension caused by the judicial emergency added on to the deadline shall only include that period of the suspension during which the particular time calculation would have otherwise been running. For example, if a 20-day time period begins running on May 27, 2020, when a complaint is served, then the original 20-day deadline would be June 16, 2020. The period during which this particular time calculation would be suspended by the judicial emergency would be 6 days (from May 27th through June 1st) and the new deadline would be June 22, 2020 (6 days after June 16, 2020). Stated differently, if a 20-day time period begins running on May 27, 2020, when a complaint is served upon the defendant, the parties start counting the 20-day time period from June 2, 2020, (i.e. June 3rd is day one), and the new deadline is again June 22, 2020.
  - If, however, the particular time calculation did not start to run until after June 1, 2020, then the deadline would

not be extended as it would be unaffected by the suspension. For example, if a 20-day time period begins running on June 3, 2020 when a complaint is served then the original 20-day deadline of June 23, 2020 would not be extended.

- Postponements or continuances resulting from the judicial emergency shall be considered court postponements and shall constitute excludable time, subject to constitutional limitations for purposes of the application of Rule 600. See *Commonwealth v. Bradford*, 46 A.3d 693 (Pa. 2012) and *Commonwealth v. Mills*, 162 A. 3d 323 (Pa. 2017).
- The suspension of Rule 600, subject to constitutional limitations, as indicated in this Court's previous Emergency Operations Orders, began on March 16, 2020 and will continue through December 31, 2020, subject to further order of court.
- Jury trials in both the Civil and Criminal Divisions remain suspended until further Order of Court.
- Attorneys and litigants shall not use the judicial emergency to secure strategic advantage in litigation, including by dilatory conduct. Individual judges may determine, on a case-by-case basis, whether a failure to meet a deadline was not directly the result of or affected by the judicial emergency, (such as in routine discovery matters) and whether the deadline should have been met during the judicial emergency. The judge may then take any action deemed appropriate to address the situation.

## IV. Transportation, Signatures, Fingerprinting, and Publication

- There will be no identification process at time of arrest, unless processed through the Allegheny County Jail. Defendants will be assigned a fingerprint appointment for a later date.
- Until further Order of Court:
  - No inmates will be transported from the Allegheny County Jail or a state correctional facility for preliminary hearings.
  - Juveniles will not be transported from Shuman Detention Center or Hartman Shelter for court hearings, unless the judge orders the juvenile to appear in court.
  - Where the participation of the inmate or juvenile is required at a court hearing, Advanced Communication Technology shall be considered before issuing the order to transport.
  - All juveniles or inmates who are being transported shall wear a mask.
  - The Sheriff's deputies may refuse to transport an inmate or juvenile who is visibly ill, who is exhibiting symptoms of COVID-19, or who refuses to wear a mask, and shall immediately notify the assigned judge.
- Alternative methods of signing, delivery, and service of court documents and orders shall be permitted. This includes, but is not limited to, facsimile signatures, electronic signatures, proxy signatures, and designated court employees authorized to sign on behalf of a judge after the judge has reviewed and approved the document for signature. *Pro se* litigants completing forms at Pittsburgh Municipal Court may authorize court employees to sign documents, when necessary, for the safety of the litigants and court employees. Under such circumstances, the court employee will sign his/her name to the document indicating that the litigant has reviewed the document and that all of the information contained therein was provided by the litigant. If an employee must sign for a *pro se* litigant, he/she will do so in a manner allowing the litigant to see the employee sign the document.
- In the interest of public health, the *Pittsburgh Legal Journal* shall be published as an electronic PDF through the duration of the judicial emergency in the Fifth Judicial District. During the judicial emergency, proofs of publication produced by the *Pittsburgh Legal Journal* can be properly verified and signed by a notary public only, instead of a notary public and an affiant as is typically required. Proofs of publication may be mailed or emailed to relevant parties. Records of all electronic proofs of publication and email correspondence shall be preserved.

## V. Civil Division

- Where appropriate and feasible, Civil Division proceedings shall be conducted by Advanced Communication Technology, primarily through Microsoft Teams, pursuant to the protocol for teleconference hearings issued by the Court. Other audio or teleconference methods

may be employed, pursuant to the protocol for teleconference hearings issued by the Court, with the approval of the Administrative Judges. See Protocol for Teleconference Hearings posted on the Fifth Judicial District website.

- All published trial lists are temporarily suspended pending further Order of Court.
- Non-jury trials commenced in June 2020. Non-jury trials shall continue to be conducted pursuant to the protocols outlined in this Order. Such non-jury trials shall be identified by the Court and specially listed for non-jury trial by separate Order(s) of Court. Where appropriate and possible, such non-jury trials shall be conducted using Advanced Communication Technology (ACT). When it is not appropriate and possible to use ACT for non-jury trials, all parties, lawyers, witnesses, and persons participating in the trial must follow the Fifth Judicial District's protocols and policies relating to the use of masks or other personal protective equipment, social distancing, and other guidance specified in Section II of this Order.
- Jury trials shall commence on a limited basis and only where the Court enters an Order specifically scheduling a jury trial. Parties with cases on previously published trial lists may jointly, with written consent by all parties involved in the litigation, submit consented-to motions to the Calendar Control Judge requesting that their case be scheduled to be tried before a jury.
- Consistent with this Order, the following matters shall be conducted remotely through the use of Advanced Communication Technology: 1. Calendar Control Motions, 2. Housing Court Motions, 3. Discovery Motions, 4. General Motions (contested and uncontested), 5. Oral arguments on Preliminary Objections, 6. Oral arguments on Motions for Summary Judgment, or Judgment on the Pleadings, 7. Conciliations relating to cases on the May 2020 Trial List, and 8. Extenuating circumstances may exist, for example, when an interpreter is required or where there is a likelihood that a sentence of imprisonment will be imposed after a guilty plea. The Court shall make efforts to minimize the number of people present for these in-person matters including allowing particular attorneys or witnesses to appear remotely.

- Recognizing the difficulty that defendants representing themselves may have using Advanced Communication Technology, such defendants may appear in person for any matter at the discretion of the judge. Defendants representing themselves may also appear in person at Formal Arraignment or Pretrial Conferences.

#### WESTERN DISTRICT

#### IN RE: AMENDED FIFTH JUDICIAL DISTRICT EMERGENCY OPERATIONS PLAN

No. 23 WM 2020

#### CRIMINAL DIVISION PROCEDURES

##### Additional Courtroom Procedures

##### Participants Who Cannot Be Heard Clearly While Wearing Masks

- Paper masks will be provided in each courtroom where the judge determines that a witness, defendant or other participant cannot be heard or understood while wearing a cloth or other mask.

- The judge may permit a witness to temporarily remove a mask to take testimony where the presence of a mask would adversely affect the ability to evaluate credibility. In such cases, the witness will be required to wear a face shield but will put their mask back on whenever approached by an attorney.

- A participant shall not be asked to lower or remove their mask at any time while they are within 15 feet of another person unless protected by a plexiglass partition.

##### Private Attorney/Client Communication in Courtroom

- During any hearing requiring a witness, the defendant, defense counsel, prosecutor, and affiant will each be provided with paper and a pen (if consistent with safety concerns of the Court, Deputy Sheriff, and attorneys) and will be permitted to write confidential notes to each other. The court may permit other means of confidential communication including providing for brief recesses or allowing the defendant and attorney to briefly exit the courtroom to confer consistent with safety concerns.

##### Early arrival for court proceedings

- Attorneys and witnesses arriving more than 30 minutes prior to a scheduled court event may be asked by the Court to leave and return later in order to maintain social distancing and reduce the amount of people in the courtroom at any given time.

##### Signing of Subpoenas

- Alternative methods of signing should be used to avoid contact between court staff and defendants.

##### Document Transfer

- All efforts shall be made to transfer as many documents as possible to court staff electronically. When a physical document must be provided to court staff in a courtroom, it shall be done, whenever possible, by placing the document on a table provided for the exchange rather than by a direct hand-to-hand exchange.

##### Formal Arraignment Waiver

The following steps must be taken by defense counsel to waive appearance at Formal Arraignment during the judicial emergency:

- Defense counsel must enter their Appearance on behalf of the Defendant.

- After the Praecipe for Appearance has been filed with the Department of Court Records, defense counsel may download and complete Waiver of Appearance at

Formal Arraignment form. This document can be found on the Fifth Judicial District Website, <https://www.alleghenycourts.us/Criminal/Default.aspx>

- Once completed, the Waiver of Appearance at Formal Arraignment form must be forwarded to [cformalarraignment@alleghenycourts.us](mailto:cformalarraignment@alleghenycourts.us).

- The email must include defense counsel and the defendant's phone number, email address, and mailing address.

- The Formal Arraignment Office will review the waiver request and determine if the Criminal Information has been filed by the District Attorney's Office.

- If the Criminal Information has been filed, the Formal Arraignment Office will email the attorney of record the information and all paperwork along with the judge assignment and a subpoena for the Defendant to appear on the scheduled Pretrial Conference date or Phoenix Court date. When required, a Court Reporting Network (CRN) appointment will be included in the paperwork; the defendant shall attend the scheduled CRN appointment and complete the full drug/alcohol assessment, if required, prior to the scheduled court date.

- If the case is eligible for ARD, information will be provided to defense counsel to contact the District Attorney's ARD unit and complete the ARD interview. Upon receipt of the ARD paperwork from defense counsel showing that the defendant has been accepted into the ARD program, the Formal Arraignment Office will provide an ARD date and subpoena to defense counsel via email.

- If the Criminal Information has not been filed, the Formal Arraignment Office will reschedule the Formal Arraignment date and notify defense counsel of the new date.

- Defense Counsel will sign the subpoena on the defendant's behalf with the defendant's permission or will make arrangements for the defendant to sign the subpoena and return it to the Formal Arraignment Office by email.

- Pretrial Conferences for defendants should be conducted by email, telephone, or videoconferencing, but may be conducted in person.

- Defense counsel may accept a subpoena on a defendant's behalf by completing a Waiver of Appearance at Pretrial Conference. This document can be found on the Fifth Judicial District Website, <https://www.allegheny-courts.us/Criminal/Default.aspx>.

- Defendants without an attorney must appear in person to schedule their cases, unless other arrangements have been made by court staff, in which case the Pretrial Conferences may be conducted by telephone or videoconferencing.

##### In-Person Proceedings

Attorneys shall confer with their witnesses and clients prior to the hearing date to ensure that they are not exhibiting symptoms of COVID-19 and are not awaiting the results of a COVID-19 test. Those exhibiting COVID-19 symptoms or awaiting a test result are not permitted in any court facility. Information on appropriate actions to take when experiencing COVID-19 symptoms can be found on the CDC website at <https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/index.html>.

Attorneys shall notify the Court of any witness or client exhibiting symptoms or awaiting the results of a COVID-19 test. Arrangements shall be made for the person to participate remotely or the matter shall be postponed.

Taking the testimony of witnesses through Microsoft Teams is strongly encouraged. However, when a witness must testify in person in a courtroom, attorneys will be responsible for management of their witnesses.

Witnesses may be required to wait in designated areas of the Courthouse, outside the Courthouse or elsewhere so that social distancing may be maintained and to reduce the amount of people in the courtroom at any time.

Witnesses who wait in the hallways may not congregate and must socially distance.

Attorneys shall inform the Court of the status and location of their witnesses prior to the start of a proceeding so that the attorneys may be given adequate time to notify and call each witness to testify. Upon conclusion of the testimony, the witness shall be excused from the courtroom and shall leave the court facility unless the judge or judicial officer determines that there is a reason that the witness must remain in the court facility.

The taking of photographs or the recording of any proceeding is strictly prohibited. Anyone violating this provision shall forfeit their cellular phone or device and shall be subject to contempt proceedings or other sanctions. Notwithstanding, with the permission of the presiding judge, an attorney may use a cellular telephone to summon a witness waiting in another location or for such other purpose authorized by the judge. When a judge is on the bench, the attorney shall first request permission from the judge.

##### ARD Procedures

After the defendant completes the ARD interview and accepts the ARD offer, the defendant will receive a subpoena from the Court Arraignment Office with the hearing date and time noted.

ARD Court staff will email defense counsel (or the defendant, if not represented) the ARD Packet with instructions to complete it and return it at least 7 days prior to the ARD hearing date.

ARD Court staff will email an invitation for the Microsoft Teams ARD Hearing to both the Defendant and Defense Counsel the week of the ARD hearing.

The ARD Hearing and Admission into the ARD program will take place as scheduled through Microsoft Teams.

Upon the conclusion of the ARD Hearing on Microsoft Teams, the ARD Officer and defendants will remain on the Teams call so that the ARD Officer may review the ARD rules with the defendants.

ARD Probation either will complete the intake interview at the conclusion of the ARD TEAMS hearing or will contact the defendant approximately one week after the hearing. If a defendant has not had an intake interview within 14 days of the ARD hearing, please contact the ARD office at 412-350-4632.

##### Phoenix Court Procedures

On all Phoenix cases a full discovery packet, sentencing guidelines and offer are presented to the Defendant at the time of Formal Arraignment.

The Phoenix Hearing will be conducted remotely through Advanced Communication Technology primarily through Microsoft Teams unless extenuating circumstances exist that justify an in-person proceeding.

The Remote Plea Packet should be completed and sent to the assigned courtroom staff two (2) business days before the assigned court date. The protocol during the Plea Hearing via remote access will also be followed.

If the Phoenix Offer is rejected, a Rejection of Phoenix Offer and Election to Proceed to Trial form must be completed and filed with the Court.

A trial date will then be set by the Court and the Case Status Conference protocol must be then followed.

##### Case Status Conferences (CSC)

All attorneys will be required to engage in an audio and/or video case status conference with opposing counsel in every case at least one week prior to the next scheduled court date during which the following matters must be addressed:

- Whether any plea offers have been made; all plea negotiations must occur before the CSC deadline;

- If a plea offer has been made and the defendant intends to reject the plea offer and proceed to trial, the rejection of the offer shall be placed on the record. The court, in its discretion, may notify the defendant that, once the plea is rejected and the case is scheduled for trial, the Court will no longer accept a negotiated plea;

- If a plea offer will not be made, a determination will be made as to whether the case is ready to proceed to jury or nonjury trial. If the parties are not prepared to proceed, a postponement request must be submitted electronically via <https://www.alleghenycourts.us/criminal/MotionForContinuance.aspx> at least four (4) business days before the next court date. Postponement requests submitted in this fashion will be granted or denied by the end of the next business day after submission.

After the CSC is complete, but in no event later than 4 business days before the next court listing, the Prosecutor shall submit an email to the minute clerk and the designated court staff for each courtroom, with a copy to defense counsel, which shall include the following:

- Defendant's name,
- Date of proceeding,
- Attorneys' names and email addresses (prosecution and defense),

- Defendant's contact information, including their email address if the proceeding is to take place remotely,

- Whether the case will resolve by plea, nonjury or jury trial or whether a postponement request will be submitted and by whom;

- Whether any motions are pending and, if so, whether any such motion requires a hearing with or without witnesses;

- Whether the defendant and witnesses and victims necessary for the scheduled proceeding have been contacted.

Counsel shall not send multiple CSC emails on the same case as such emails burden the court staff, overwhelm their email accounts and create confusion.

When a matter is scheduled as a remote plea or hearing, all paperwork shall be emailed to court staff 48 hours prior to the scheduled plea or hearing date, or, in the case of a defendant who is incarcerated, 24 hours prior to the plea or hearing date including:

- Plea Packet
- Sentencing Guidelines
- Restitution Form
- Other forms required for SORNA or Domestic Violence cases

If a case will be proceeding to trial, the parties are encouraged to stipulate to any evidence or testimony, where possible, to avoid the need for witnesses to be called to testify. If stipulations may be furthered by a party making a potential witness available via conference call with all counsel, counsel are encouraged to utilize this method or other similar opportunities to further discussions regarding possible stipulations. Where stipulations cannot be reached regarding the testimony of a witness, the parties should discuss whether any witnesses might be permitted to testify via video.

In a matter which is to proceed remotely, exhibits should be exchanged via email between the parties at least 24 hours prior to the proceeding, with a copy to court staff. If a party believes that circumstances exist that a prior exchange of a particular exhibit should not occur, the issue should be brought to the Court's attention through the Case Status Conference process.

When a defense attorney has been unable to contact the defendant, the Prosecutor shall not bring in any witnesses but shall have them available by phone in the event that a previously "unreachable" defendant appears and determines to enter a guilty plea.

If the defendant then fails to appear on their scheduled court date, a warrant shall be issued.

If the defendant does appear on their scheduled date, the courtroom staff should direct the defendant to the location previously supplied by defense counsel so that the defendant can make contact with defense counsel. The case may proceed in a manner that does not require witnesses such as a plea, or a stipulated non-jury trial, or other method agreed upon by the parties.

Otherwise, a short defense postponement may be granted with a definite date for trial.

Prosecutors shall make every effort to contact their witnesses well in advance of the scheduled court date and shall comply with the requirements of the Case Status Conferences or status conferences held by judges and their staff.

When a Prosecutor has been unable to contact a witness or victim, the prosecutor shall include on any postponement request, the efforts made to contact the witness or victim.

If a Commonwealth postponement is not granted, defense counsel shall not bring in any witnesses but shall have the defendant available by phone in the event the Commonwealth witness or victim does appear for the proceeding on the specified date.

In the event the Commonwealth witnesses do not appear on the scheduled court date, the case may be *nolle prossed*, dismissed or, at the discretion of the judge, a postponement maybe granted on that date.

If the Commonwealth witness or victim does appear on the scheduled court date, the case may proceed in a manner that does not require witnesses such as a plea, stipulated non-jury trial, or other method agreed upon by the parties. Otherwise, a short Commonwealth postponement shall be granted with a definite date for trial.

All defendants without counsel will be required to engage in a CSC with the assigned prosecutor consistent with the above procedures. Prior to the CSC, the assigned prosecutor will notify the Office of the Public Defender that the

defendant is unrepresented so that the defendant can be provided counsel from the Office of the Public Defender or the Office of Conflict Counsel to explain the following:

- The right to counsel for future court proceedings;
- The right to have counsel appointed if the defendant is unable to afford an attorney; and
- If the defendant elects to proceed *pro se*, the fact that counsel will serve as a third-party witness to ensure the CSC is fairly conducted.

Pennsylvania  
Supreme Court

WESTERN DISTRICT

IN RE: FIFTH JUDICIAL DISTRICT  
TEMPORARY PROCEDURES  
REGARDING CERTAIN RESIDENTIAL  
LANDLORD TENANT ACTIONS

No. 23 WM 2020

ORDER OF COURT

AND NOW, this 31st day of August 2020, pursuant to Pa.R.J.A. No. 1952(B)(2), this Court having declared a judicial emergency in the Fifth Judicial District of Pennsylvania through December 31, 2020, and recognizing that rent assistance through the CARES Rent Relief Program and other programs is available for landlords and tenants in Allegheny County and that landlords and tenants may require time to apply for such assistance and additional time for their applications to be processed, the following is hereby **ORDERED, ADJUDGED and DECREED.**

1. Effective September 1, 2020, all residential landlord tenant actions will be accepted for filing within the Fifth Judicial District pursuant to the applicable statutes and rules governing those actions.

2. Initial hearing dates for residential landlord tenant actions filed at the Magisterial District Courts where the action is based solely on nonpayment of rent shall be scheduled at the latest available landlord tenant court date consistent with Pa.R.C.P.M.D.J. 504 and may be scheduled up to seven (7) days beyond the time limit set forth in Rule 504, if the Magisterial District Judge finds it necessary due to the volume of cases already scheduled.

3. On such cases, if on or before the initial hearing date, the tenant provides an affidavit or testifies under oath affirming that the tenant has submitted or will submit an application for rental assistance under the CARES Rent Relief Program or any of the other available rental assistance programs, the initial hearing date shall be used to conduct a status conference rather than a hearing. During this status conference, the CARES Rent Relief Program or other program shall be considered by the parties who shall determine if they will move forward with an application.

4. If both parties agree to move forward with an application through the CARES Rent Relief Program or other available rental assistance program, the hearing shall be continued to allow for sufficient time for the application to be processed as agreed to by the parties and the Magisterial District Judge. Multiple continuances may be granted so there is sufficient time for the application to be processed and the relief to be provided. A hearing shall not occur until the application has either been granted, denied or withdrawn.

5. If, during the status conference, the parties do not both agree to move forward with an application, the case may be postponed to a new date for a hearing on the matter or the Magisterial District Judge may, in his or her discretion, continue the hearing to allow for an application to be made and processed.

6. The procedures in paragraphs 2 through 5 above apply only to residential landlord tenant actions at the Magisterial District Courts where the action is based solely on non-payment of rent.

7. Application for COVID-19 related rent assistance through the CARES Rent Relief Program can be made online at <https://covidrentrelief.allegheycourts.us>.

8. Additional information about other rental assistance programs may be found at the following links:
