Street, Pittsburgh, PA 15212;

- Any Administrative Offices of the Fifth Judicial District; and

- Any other facility, building, or room designated by the President Judge to hear and dispose of matters pending before the Court of Common Pleas or Magisterial District Courts in the Fifth Judicial District.

• All court facilities, including the courtrooms in all Divisions of the Court of Common Pleas, the Magisterial District Courts and Pittsburgh Municipal Court, will be open to the public for matters as specified below in this Order.

• Persons must wear masks or face coverings to enter and remain in any court facility. Persons who are not compliant with this order, will be required to leave the court facility.

• Persons who enter any court facility shall comply with CDC and Health Department recommendations for social distancing as well as any signage posted in or on court facilities or instructions from a judge, judicial officer, Sheriff's deputy, police officer, constable, building security, or court employee.

• News media shall be permitted into court facilities but only in a manner that is consistent with public safety. Cameras will not be allowed in any court facility, unless specifically authorized by the President Judge, Administrative Judge of a Division, or the District Court Administrator.

Sheriff's deputies, police, constables, and building security assigned to any court facility are authorized to deny admission or remove a person who is visibly ill or who is exhibiting symptoms of COVID-19. Any person excluded or removed for health concerns shall be provided with information (telephone number or email address) to enable them to initiate, participate in, or complete necessary essential court business/functions during the judicial emergency.

• Only persons with essential court business are guaranteed admission into any court facility, subject to restrictions above. Friends and family members may be required to wait outside the facility.

• Sheriff's deputies, police, constables, and building security shall have the authority to enforce all of the conditions in this section. Persons who are not compliant with this order, will be required to leave the court facility. II. Methods for Conducting Proceedings

• Whenever appropriate and feasible, and as directed by the President Judge, the Administrative Judges of the Divisions, and the District Court Administrator, court proceedings shall be conducted by Advanced Communication Technology (ACT), primarily through Microsoft Teams, pursuant to the protocol for teleconference hearings issued by the Court. Other audio or teleconference methods may be employed, pursuant to the protocol for teleconference hearings issued by the Court, with the approval of the Administrative Judges. See Protocol for Teleconference Hearings found on the Fifth Judicial District website.

• Remote matters, conducted through Advanced Communication on Technology shall be conducted with the same decorum as in-person matters.

• When it is determined that conducting court proceedings through ACT is not appropriate or feasible, court hearings and proceedings shall be conducted utilizing protocols and policies relating to the use of masks or other personal protective equipment, social distancing, and other guidance specified in Section II of this Order.

• Any administrative order, policy, or protocol issued by an Administrative Judge requiring certain proceedings to be conducted through ACT shall be followed. Any exceptions to such an administrative order, policy, or protocol must be approved by the Administrative Judge of the Division.

• In order to prevent overcrowding, court appearances and hearing times shall be staggered, and the Administrative Judges may require that scheduling of cases be centralized in each division.

 Attorneys are strongly encouraged to bring only essential witnesses and persons to in-person court proceedings. Attorneys should encourage their clients to refrain from having non-participants accompany them to court proceedings.

• When a court reporter or other approved form of recording court proceedings is unavailable, alternative forms of recording shall be permitted.

 All persons participating in a court proceeding, including but not limited to, judges and judicial officers, attorneys, court employees, court reporters, witnesses, and spectators, are required to wear a mask or face covering for the entire proceeding. The judge or judicial officer may permit a person to temporarily remove the mask to take testimony or where the presence of a mask would affect the ability to judge credibility, provided that the requirements for social distancing, and in the case of matter in the Criminal Division, the attached Criminal Division Procedures (as may be subsequently amended and posted on the website of the Fifth Judicial District) are followed. In such cases, the person will be required to wear a face shield. The Court shall make every effort to minimize the number of people present for in-person court proceedings, including allowing particular attorneys or witnesses to appear remotely.

• Orders prohibiting and limiting the use of cellular phones in courtrooms and court facilities remain in effect. However, due to the requirements for social distancing, an attorney may use a cellular telephone to communicate with a client or a witness while outside of the courtroom. An attorney may use a cellular telephone to summon witnesses waiting in another location, to the courtroom; or for such other purpose deemed appropriate by the judge or judicial officer presiding over the court proceeding. • The taking of photographs or the recording of any proceeding is strictly prohibited. Anyone violating this provision shall forfeit their cellular phone or device and shall be subject to contempt proceedings or other sanctions. • Taking the testimony of witnesses through ACT is strongly encouraged. However, when a witness must testify in person in a courtroom, the witness may be required to wait in another location until such time as the court is prepared to take the testimony of the witness. Upon conclusion of the testimony, the witness shall be excused from the courtroom and shall leave the court facility unless the judge or judicial officer determines that there is a reason that the witness must remain in the court facility • News media may be permitted into a courtroom, if social distancing can be maintained. The court may designate certain seats for the news media, however, seats for attorneys, parties to the

proceedings and essential court staff take priority over seats for the news media.

• Sidebar conferences are prohibited until further order of court.

# III. Time Calculations and Deadlines

• Except as otherwise set forth in this Order, the suspension of time calculations due to the judicial emergency that began on March 16, 2020 ended at the end of the day on June 1, 2020.

• Time calculations and deadlines were suspended during the judicial emergency so that they did not continue to run during that time. The suspension began on March 16, 2020 and continued through June 1, 2020-or for 78 days. New deadlines shall be calculated by adding the time period of the suspension (days during which time calculations were suspended due to the judicial emergency as applied to the particular time calculation) to the original deadline. The period of suspension caused by the judicial emergency added on to the deadline shall only include that period of the suspension during which the particular time calculation would have otherwise been running.

• For example, if an original 30-day deadline fell on March 19, 2020, and the period of suspension under the judicial emergency was 78 days (March 16th through June 1st), the new deadline would be June 5, 2020 (78 days after March 19th). In this example, the particular time calculation stopped running during the entire 78-day suspension when it would have otherwise been running. If, however, a deadline expired before the judicial emergency began, then that deadline would not be extended by the judicial emergency.

• The period of suspension caused by the judicial emergency added on to the deadline shall only include that period of the suspension during which the particular time calculation would have otherwise been running. For example, if a 20-day time period begins running on May 27, 2020, when a complaint is served, then the original 20-day deadline would be June 16, 2020. The period during which this particular time calculation would be suspended by the judicial emergency would be 6 days (from May 27th through June 1st) and the new deadline would be June 22, 2020 (6 days after June 16, 2020). Stated differently, if a 20-day time period begins running on May 27, 2020, when a complaint is served upon the defendant, the parties start counting the 20-day time period from June 2, 2020, (i.e. June 3rd is day one), and the new deadline is again June 22, 2020.

• If, however, the particular time calculation did not start to run until after June 1, 2020, then the deadline would not be extended as it would be unaffected by the suspension. For example, if a 20-day time period begins running on June 3, 2020 when a complaint is served then the original 20-day deadline of June 23, 2020 would not be extended.

• Postponements or continuances resulting from the judicial emergency shall be considered court postponements and shall constitute excludable time, subject to constitutional limitations for purposes of the application of Rule 600. *See Commonwealth v. Bradford*, 46 A.3d 693 (Pa. 2012) and *Commonwealth v. Mills*, 162 A. 3d 323 (Pa. 2017).

• The suspension of Rule 600, subject

Tuesday, September 8, 2020

• Until further Order of Court:

- No inmates will be transported from the Allegheny County Jail or a state correctional facility for preliminary hearings.

- Juveniles will not be transported from Shuman Detention Center or Hartman Shelter for court hearings, unless the judge orders the juvenile to appear in court.

- Where the participation of the inmate or juvenile is required at a court hearing, Advanced Communication Technology shall be considered before issuing the order to transport.

- All juveniles or inmates who are being transported shall wear a mask.

- The Sheriff's deputies may refuse to transport an inmate or juvenile who is visibly ill, who is exhibiting symptoms of COVID-19, or who refuses to wear a mask, and shall immediately notify the assigned judge.

• Alternative methods of signing, delivery, and service of court documents and orders shall be permitted. Information on appropriate actions to take when experiencing COVID-19 symptoms can be found on the CDC website at https://www.cdc.gov/coronavirus 2019ncov/if-you-are-sick/index.html.

Attorneys shall notify the Court of any witness or client exhibiting symptoms or awaiting the results of a COVID-19 test. Arrangements shall be made for the person to participate remotely or the matter shall be postponed.

Taking the testimony of witnesses through Microsoft Teams is strongly encouraged. However, when a witness must testify in person in a courtroom, attorneys will be responsible for management of their witnesses.

Witnesses may be required to wait in designated areas of the Courthouse, outside the Courthouse or elsewhere so that social distancing may be maintained and to reduce the amount of people in the courtroom at any time.

Witnesses who wait in the hallways may not congregate and must socially distance.

Attorneys shall inform the Court of the status and location of their witnesses prior to the start of a proceeding so that the attorneys may be given adequate time to notify and call each witness to testify. Upon conclusion of the testimony, the witness shall be excused from the courtorom and shall leave the court facility unless the judge or judicial officer determines that there is a reason that the witness must remain in the court facility.

The taking of photographs or the recording of any proceeding is strictly prohibited. Anyone violating this provision shall forfeit their cellular phone or device and shall be subject to contempt proceedings or other sanctions. Notwithstanding, with the permission of the presiding judge, an attorney may use a cellular telephone to summon a witness waiting in another location or for such other purpose authorized by the judge. When a judge is on the bench, the attorney shall first request permission from the judge.

## **ARD Procedures**

After the defendant completes the ARD interview and accepts the ARD offer, the defendant will receive a subpoena from the Court Arraignment Office with

are presented to the Defendant at the time of Formal Arraignment.

The Phoenix Hearing will be conducted remotely through Advanced Communication Technology primarily through Microsoft Teams unless extenuating circumstances exist that justify an in-person proceeding.

The Remote Plea Packet should be completed and sent to the assigned courtroom staff two (2) business days before the assigned court date. The protocol during the Plea Hearing via remote access will also be followed.

If the Phoenix Offer is rejected, a Rejection of Phoenix Offer and Election to Proceed to Trial form must be completed and filed with the Court.

A trial date will then be set by the Court and the Case Status Conference protocol must be then followed.

# Case Status Conferences (CSC)

All attorneys will be required to engage in an audio and/or video case status conference with opposing counsel in every case at least one week prior to the next scheduled court date during which the following matters must be addressed:

• Whether any plea offers have been made; all plea negotiations must occur before the CSC deadline;

• If a plea offer has been made and the defendant intends to reject the plea offer and proceed to trial, the rejection of the offer shall be placed on the record. The court, in its discretion, may notify the defendant that, once the plea is rejected and the case is scheduled for trial, the Court will no longer accept a negotiated plea;

• If a plea offer will not be made, a determination will be made as to whether the case is ready to proceed to jury or nonjury trial. If the parties are not prepared to proceed, a postponement request must be submitted electronically via https://www.alleghenycourts.us/criminal/MotionForContinuance.aspx at least four (4) business days before the next court date. Postponement requests submitted in this fashion will be granted or denied by the end of the next business day after submission.

After the CSC is complete, but in no event later than 4 business days before the next court listing, the Prosecutor shall submit an email to the minute clerk and the designated court staff for each courtroom, with a copy to defense counsel, which shall include the following:

Defendant's name,Date of proceeding,

 Attorneys' names and email addresses (prosecution and defense),

• Defendant's contact information, including their email address if the proceeding is to take place remotely,

• Whether the case will resolve by plea, nonjury or jury trial or whether a postponement request will be submitted and by whom;

• Whether any motions are pending and, if so, whether any such motion requires a hearing with or without witnesses;

• Whether the defendant and witnesses and victims necessary for the scheduled proceeding have been contacted.

Counsel shall not send multiple CSC emails on the same case as such emails burden the court staff, overwhelm their email accounts and create confusion.

When a matter is scheduled as a remote plea or hearing, all paperwork shall be emailed to court staff 48 hours prior to the scheduled plea or hearing date, or, in the case of a defendant who

- Criminal Complaint filing, arrest warrant requests, and cases initiated by on-view arrests only,

- Search Warrant issuance,

- Bail Hearings and Bail Hearings on ICC Complaints filed by police.

• Preliminary Arraignments conducted through Pittsburgh Municipal Court shall be handled remotely.

• Preliminary Arraignments conducted at the Magisterial District Courts shall presumptively be handled remotely but may at the discretion of the Magisterial District Judge be handled in person.

• Preliminary hearings with incarcerated defendants will be conducted using Advanced Communication Technology. Other parties may participate through Advanced Communication Technology.

• Preliminary hearings for non-incarcerated defendants may be conducted using Advanced Communication Technology. Other parties may participate through Advanced Communication Technology. There will be no identification process at time of arrest, unless processed through the Allegheny County Jail. Defendants will be assigned a fingerprint appointment for a later date. not occur, the issue should be brought to the Court's attention though the Case Status Conference process.

When a defense attorney has been unable to contact the defendant, the Prosecutor shall not bring in any witnesses but shall have them available by phone in the event that a previously "unreachable" defendant appears and determines to enter a guilty plea.

If the defendant then fails to appear on their scheduled court date, a warrant shall be issued.

If the defendant does appear on their scheduled date, the courtroom staff should direct the defendant to the location previously supplied by defense counsel so that the defendant can make contact with defense counsel. The case may proceed in a manner that does not require witnesses such as a plea, or a stipulated non-jury trial, or other method agreed upon by the parties.

Otherwise, a short defense postponement may be granted with a definite date for trial.

Prosecutors shall make every effort to contact their witnesses well in advance of the scheduled court date and shall comply with the requirements of the Case Status Conferences or status conferences held by judges and their staff.

When a Prosecutor has been unable to contact a witness or victim, the prosecutor shall include on any postponement request, the efforts made to contact the witness or victim.

If a Commonwealth postponement is not granted, defense counsel shall not bring in any witnesses but shall have the defendant available by phone in the event the Commonwealth witness or victim does appear for the proceeding on the specified date.

In the event the Commonwealth witnesses do not appear on the scheduled court date, the case may be *nolle prossed*, dismissed or, at the discretion of the judge, a postponement maybe granted on that date.

If the Commonwealth witness or victim does appear on the scheduled court date, the case may proceed in a manner that does not require witnesses such as a plea, stipulated non-jury trial, or other method agreed upon by the parties. Otherwise, a short Commonwealth postponement shall be granted with a definite date for trial.

All defendants without counsel will be required to engage in a CSC with the assigned prosecutor consistent with the above procedures. Prior to the CSC, the assigned prosecutor will notify the Office of the Public Defender that the defendant is unrepresented so that the defendant can be provided counsel from the Office of the Public Defender or the Office of Conflict Counsel to explain the following:

• The right to counsel for future court proceedings;

• The right to have counsel appointed if the defendant is unable to afford an attorney; and

• If the defendant elects to proceed *pro se*, the fact that counsel will serve as a third-party witness to ensure the CSC is fairly conducted.
