## **COURT NOTICES**

Pennsylvania Supreme Court

WESTERN DISTRICT

IN RE: AMENDED FIFTH JUDICIAL DISTRICT EMERGENCY **OPERATIONS PLAN** 

No. 23 WM 2020

ORDER OF COURT

AND NOW, this 28th day of May, 2020, having previously declared a judicial emergency in the Fifth Judicial District of Pennsylvania, this Court amends its previous Emergency Operations Orders and now orders that the actions set forth below be taken pursuant to Pa.R.J.A. No. 1952(B)(2). All provisions of this Order apply through August 31, 2020.

## I. Public Access to Court Facilities

 A Court Facility includes, but is not limited to:

o The Civil Division located on the 7th and 8th floors of the City-County Building and the Housing Court Help Desk, located on the first floor of the City-County Building, 414 Grant Street, Pittsburgh, PA 15219;

o The Criminal Division located on the 3rd and 5th floor of the Courthouse. 436 Grant Street, Pittsburgh, PA 15219;

o The Family Law Center located at 440 Ross Street and 559 Fifth Avenue, Pittsburgh, PA 15219;

o The Orphans' Court Division, located on the 17th floor of the Frick Building, 437 Grant Street, Pittsburgh,

o Pittsburgh Municipal Court, 660 First Avenue, Pittsburgh, PA 15219;

o All Magisterial District Courts located in Allegheny County;

o All Adult Probation Offices, located in Allegheny County;

o All Juvenile Probation Offices including the six Community Intensive Supervision Program sites located in Allegheny county;

o The Juvenile Dependency Hearing Officer Courtrooms located at:

1) (East Region) 10 Duff Road—Suite 208, 10 Corporate Center, Penn Hills,

2) (Mon Valley Region) 355 Lincoln

Highway, North Versailles, PA 15137; 3) (North Region) 421 East Ohio Street, Pittsburgh, PA 15212; and

o Any Administrative Offices of the Fifth Judicial District.

• All court facilities, including the courtrooms in all Divisions of the Court of Common Pleas, the Magisterial District Courts and the City of Pittsburgh Municipal Court, will be open to the public for matters as specified below in this Order.

• Persons must wear masks to enter and remain in any court facility. Persons who are not compliant with this order, will be required to leave the court facility.

• Persons who enter any court facility shall comply with CDC and Health Department recommendations for social distancing as well as any signage posted in or on court facilities or instructions from a judge, judicial officer, Sheriff's deputy, police officer, constable, building security, or court employee.

• News media shall be permitted into court facilities but only in a manner that is consistent with public safety. Cameras will not be allowed in any court facility, unless specifically authorized by the President Judge, Administrative Judge of a Division, or the District Court Administrator.

• Sheriff's deputies, police, constables, and building security assigned to any court facility are authorized to deny admission or remove a person who is visibly ill or who is exhibiting symptoms of COVID-19. Any person excluded or removed for health concerns shall be provided with information (telephone number or email address) to enable them to initiate, participate in, or complete necessary essential court business/functions during the judicial emergency.

• Only persons with essential court business are guaranteed admission into any court facility, subject to restrictions above. Friends and family members may be required to wait outside the facility.

· Sheriff's deputies, police, constables, and building security shall have the authority to enforce all of the conditions in this section. Persons who are not compliant with this order, will be required to leave the court facility.

Conducting Methods for **Proceedings** 

• Whenever appropriate and feasible, and as directed by the President Judge, the Administrative Judges of the Divisions, and the District Court Administrator, court proceedings shall conducted by Advanced Communication Technology (ACT), primarily through Microsoft Teams, pursuant to the protocol for teleconference hearings issued by the Court. Other audio or teleconference methods may be employed, pursuant to the protocol for teleconference hearings issued by the Court, with the approval of the Administrative Judges. See Protocol for Teleconference Hearings found on the Fifth Judicial District website.

• When it is determined that conducting court proceedings through ACT is not appropriate or feasible, court hearings and proceedings shall be conducted utilizing protocols and policies relating to the use of masks or other personal protective equipment, social distancing, and other guidance specified in Section II of this Order.

• Any administrative order, policy, or protocol issued by an Administrative Judge requiring certain proceedings to be conducted through ACT shall be followed. Any exceptions to such an administrative order, policy, or protocol must be approved by the Administrative Judge of the Division.

• In order to prevent overcrowding, court appearances and hearing times shall be staggered, and Administrative Judges may require that scheduling of cases be centralized in each division.

 Requests or Motions for Continuance should be liberally granted.

• Attorneys should encourage their clients to refrain from having nonparticipants accompany them to court proceedings.

• When a court reporter or other approved form of recording court proceedings is unavailable, alternative forms of recording shall be permitted.

• All persons participating in a court proceeding, including but not limited to, judges and judicial officers, attorneys, court employees, court reporters, witnesses, and spectators, are required to wear a mask for the entire proceeding. The judge or judicial officer may permit a person to temporarily remove the mask to take testimony or where the presence of a mask would affect the ability to judge credibility, provided that the requirements for social distancing are followed.

• Orders prohibiting and limiting the use of cellular phones in courtrooms and court facilities remain in effect. However, due to the requirements for social distancing, an attorney may use a cellular telephone to communicate with a client or a witness while outside of the courtroom. An attorney may use a cellular telephone to confer with a client by text messaging during a court proceeding or matter in progress; to summon witnesses waiting in another location, to the courtroom; or for such other purpose deemed appropriate by the judge or judicial officer presiding over the court proceeding.

• The taking of photographs or the recording of any proceeding is strictly prohibited. Anyone violating this provision shall forfeit their cellular phone or device and shall be subject to contempt proceedings or other sanctions.

• Taking the testimony of witnesses through ACT is strongly encouraged. However, when a witness must testify in person in a courtroom, the witness may be required to wait in another location until such time as the court is prepared to take the testimony of the witness. Upon conclusion of the testimony, the witness shall be excused from the courtroom and shall leave the court facility unless the judge or judicial officer determines that there is a reason that the witness must remain in the court facility.

• News media may be permitted into a courtroom, if social distancing can be maintained. The court may designate certain seats for the news media, however, seats for attorneys, parties to the proceedings and essential court staff take priority over seats for the news media.

• Sidebar conferences are prohibited until further order of court.

III. Time Calculations and Deadlines

• Except as otherwise set forth in this Order, the suspension of time calculations due to the judicial emergency that began on March 16, 2020 ends at the end of the day on June 1, 2020.

• Time calculations and deadlines were suspended during the judicial emergency so that they did not continue to run during that time. The suspension began on March 16, 2020 and continued through June 1, 2020-or for 78 days. New deadlines shall be calculated by adding the time period of the suspension (days during which time calculations were suspended due to the judicial emergency as applied to the particular time calculation) to the original deadline. The period of suspension caused by the judicial emergency added on to the deadline shall only include that period of the suspension during which the particular time calculation would have otherwise been running.

• For example, if an original 30-day deadline fell on March 19, 2020, and the period of suspension under the judicial emergency was 78 days (March 16th through June 1st), the new deadline would be June 5, 2020 (78 days after March 19th). In this example, the particular time calculation stopped running during the entire 78-day suspension when it would have otherwise been running. If, however, a deadline expired before the judicial emergency began, then that deadline would not be extended by the judicial emergency.

• The period of suspension caused by the judicial emergency added on to the deadline shall only include that period of the suspension during which the particular time calculation would have otherwise been running. For example, if a 20-day time period begins running on May 27, 2020, when a complaint is served, then the original 20-day deadline would be June 16, 2020. The period during which this particular time calculation would be suspended by the judicial emergency would be 6 days (from May 27th through June 1st) and the new deadline would be June 22, 2020 (6 days after June 16, 2020). Stated differently, if a 20-day time period begins running on May 27, 2020, when a complaint is served upon the defendant, the parties start counting the 20-day time period from June 2, 2020, (i.e. June 3rd is day one), and the new deadline is again June 22, 2020.

• If, however, the particular time calculation does not start to run until after June 1, 2020, then the deadline would not be extended as it would be unaffected by the suspension. For example, if a 20-day time period begins running on June 3, 2020 when a complaint is served then the original 20-day deadline of June 23, 2020 would not be extended.

• Postponements or continuances resulting from the judicial emergency shall be considered court postponements and shall constitute excludable time, subject to constitutional limitations for purposes of the application of Rule 600. See Commonwealth v. Bradford, 46 A.3d 693 (Pa. 2012) and Commonwealth v. Mills, 162 A. 3d 323 (Pa. 2017).

• The suspension of Rule 600, subject to constitutional limitations, as indicated in this Court's previous Emergency Operations Orders, began on March 16, 2020 and will continue through August 31, 2020, subject to further order of court.

 Jury trials in both the Civil and Criminal Divisions remain suspended until further Order of Court.

• Attorneys and litigants shall not use the judicial emergency to secure strategic advantage in litigation, including by dilatory conduct. Individual judges may determine, on a case-by-case basis, whether a failure to meet a deadline was not directly the result of or affected by the judicial emergency, (such as in routine discovery matters) and whether the deadline should have been met during the judicial emergency. The judge may then take any action deemed appropriate to address the situation.

#### IV. Transportation, Signatures, Fingerprinting, and Publication

• There will be no identification process at time of arrest, unless processed through the Allegheny County Jail. Defendants will be assigned a fingerprint appointment for a later date.

• Until further Order of Court:

o No inmates will be transported from the Allegheny County Jail or a state correctional facility for preliminary hearings.

o Juveniles will not be transported from Shuman Detention Center or Hartman Shelter for court hearings
