Notice of Hearing on Petition to Involuntarily Terminate Parental Rights

In the Court of Common Pleas of Somerset County, Pennsylvania
Orphan's Court Division

No. 27 Adoption 2020
Re: Adoption of Male Child Bucy
To: Andrew Bucy

And Now, this 26th day of February, 2021, the Court having conducted a hearing on the Petition for Involuntary Termination of Parental Rights filed in this case, based on the evidence presented and also the input from the Guardian ad Litem/Counsel, Attorney McCoy, we make these important findings of fact:

The last contact at all between the child and his natural father occurred in May or June of 2015. That contact was a visit between the child and Father that lasted approximately one to two hours. Since that time, the father has made marginal support payments; but other than that, has not acknowledged the child in any manner, to include not even sending birthday cards, Christmas presents, and so on.

Based on that finding of fact, we conclude as a matter of law that the Natural Father, by conduct continuing for a period of at least six months immediately preceding the filing of this petition, has evidenced a settled purpose of relinquishing his parental claim to the child, and indeed has refused or failed to perform parental duties.

Further, we note that we have considered the developmental, physical, and emotional needs and welfare of the child, and make the specific finding that there is no bond at all that exists between the Natural Father and the child; and in fact, the bond that does exist between father and son exists between Mr. Harrington and the child, that being evidenced by the fact that the child refers to Mr. Harrington as "Daddy."

There being no bond to sever here, then, it is certainly in the child's best interest that the Natural Father's parental rights be terminated, and by this Order the Court directs that termination, granting the Petition filed by the Natural Mother and her husband, Mr. Harrington.

TO: Andrew Bucy
